

Beginner Social Group

Learning Fundamental Play and Social Skills

Our groups aim to clarify how the social world works and why specific social skills are important. Overall goals of our group are to enhance the awareness, understanding, and application of social skills to your child's daily life, as well as increase self-esteem and confidence in your child.

Abigail Bush, MS, LPC

Ages 4 - 6

September 12th to December 5th

Thursdays 4:30-5:30pm

12 Sessions
